

## Getting started with the EPP

To gain access to the ecoPartner Portal, you will need to contact your CM and have them grant you access.

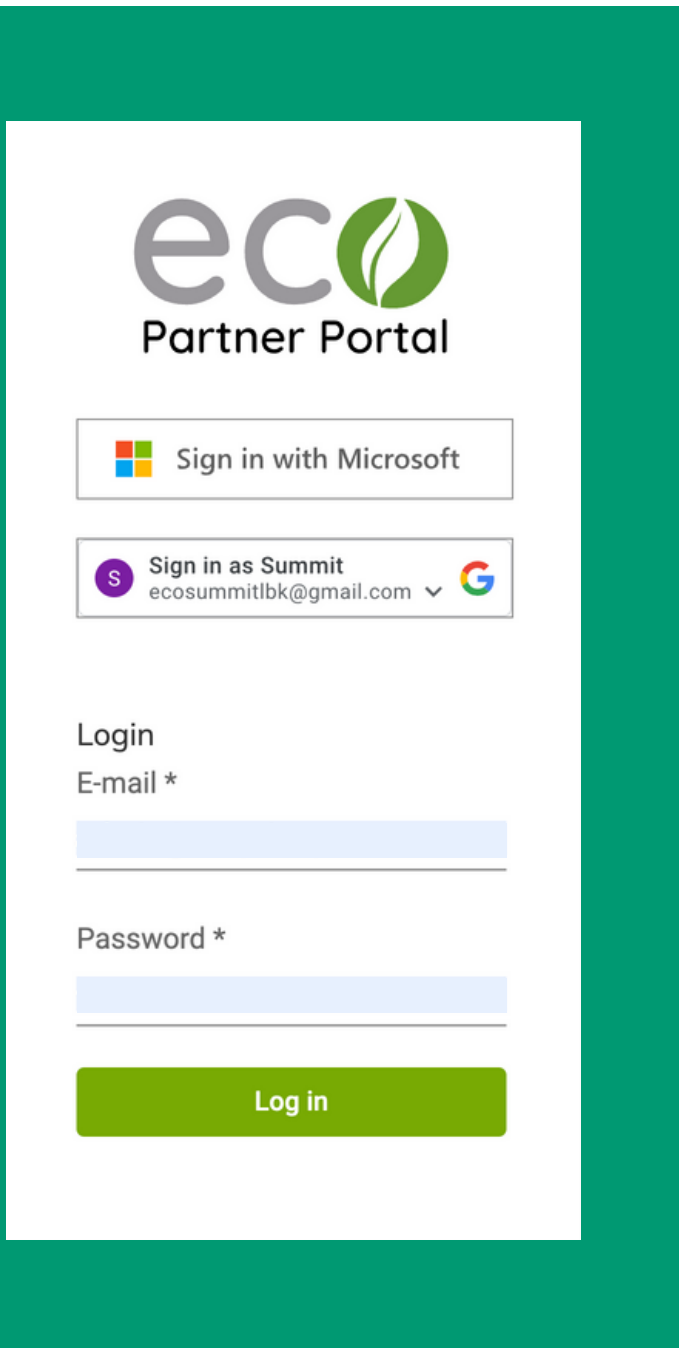

The primary e-mail address associated to your contact will be your designated e-mail for accessing the ecoPartner Portal.

## How to Reach out

[Visit the channel team map to find out who your Channel Manager is.](#)

Your Channel Manager will notify you once your account has been activated.

The screenshot shows the login interface for the eco Partner Portal. At the top is the logo. Below it are two sign-in options: "Sign in with Microsoft" and "Sign in as Summit ecosummitlbk@gmail.com" with a Google icon. The main login section includes fields for "Login E-mail \*" and "Password \*", and a green "Log in" button.
